## A Broken Promise

Maria and Sara were best friends. One day Maria told Sara, "Oh Sara! I am so excited. I am throwing a surprise party for all our classmates. They will know about it when they get this invitation card. So let it stay a secret till then." Alas! Sara couldn't keep the secret. The next day, she told everyone about the party. The surprise party was not a surprise anymore.

When Maria came to know about this, she got angry with Sara. She went to her and said angrily, "You have broken your promise. You couldn't even keep a little secret! I will never talk to you!" Sara apologised but Maria did not forgive her.

At home, Maria told her mother everything. Her mother smiled and said, "Good friends are rare. Never let these small things ruin your friendship. She made a mistake and apologised. You should forgive her. Now call her and ask her to come over."

Maria understood. She called Sara. Sara came and said, "I am again very sorry, Maria." Maria smiled and said, "It is all right Sara. I am sorry too. I should have forgiven you when you apologised first. Now help us colour these greeting cards."

**Moral:** Forgive people if they realise their mistake
