Notes for the Teachers

This is the fourth book in the series. It introduces the child to an **upright joined writing**.

Teachers should make sure to look at the formation of each letter while following the guidelines.

Letters are listed in order of appearance in this book.

Pagewise Guidelines

Page 6 Give ample time to write this personalised page. The teacher will be able to assess the needs of the individual child.

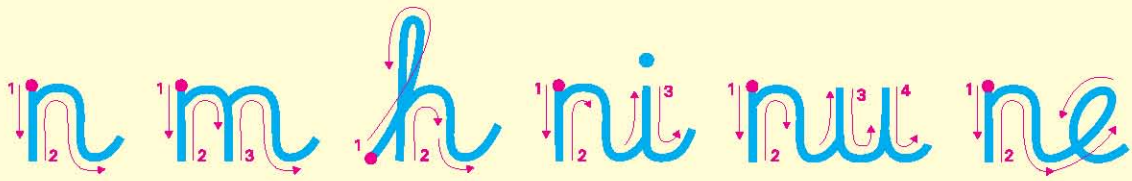

Page 7 The hook at the end of *a c d e h i k l m n p s t* *u* and *x* is rounded and raised above the base line.

At the beginning of a word *t l h k b* and *f* start on the base line with a slanted, curved stroke while ascending, but descends straight, leaving a loop which should be as slim as possible except for the lower half of *f*. *t* does not have a loop.

Page 8 Insist on correct formation of *a* and *d*.

e c s x and *p* flow easily to join the following letter.

Page 9 Form a 'u' between straight letters.

ni mi hi ni mi hi ni mi hi
